FOR IMMEDIATE RELEASE

NOVEMBER 26, 2003

CONSTRUCTION TO BEGIN ON LONGSTREET ROAD

FORT BRAGG, N.C. – Beginning Monday, Dec. 1, work will begin on a new access control point on Longstreet Road. The existing access control point will continue to operate on a normal schedule.

Construction on Longstreet Road will be limited to the area from Lamont Road to MacRidge Road. Both inbound and outbound traffic will be detoured along MacRidge Road to Lamont Road.

Construction will include road widening, canopy placement and the installation of approach lighting, guard booths and storage buildings.

Motorists are advised to use caution when using these roads and to be aware of caution signs until the construction is complete.
